NovaPoint Capital Awarded Top Guns Designation by Informa Financial Intelligence

Atlanta, GA—August 19, 2019— NovaPoint Capital has been awarded a PSN Top Guns distinction by Informa Financial Intelligence’s PSN manager database, North America’s longest running database of investment managers.

NovaPoint Capital was honored with the Bull Bear Master Top Guns rating for its Dividend Growth Strategy for the three-year period ending June 30, 2019.

“We are very pleased to have our Large Cap Dividend Growth Strategy recognized among the Bull Bear Masters,” said [Joseph Sroka](#), **Chief Investment Officer and lead equity portfolio manager at NovaPoint Capital**. “Maintaining a favorable upside to downside capture ratio serves our clients well when market conditions get volatile. This recognition demonstrates the durability of our Dividend Growth Strategy in both up and down markets.”

Through a combination of Informa Financial Intelligence’s proprietary performance screens, ranks products in six proprietary categories in over 50 universes. This is a well-respected quarterly ranking and is widely used by institutional asset managers and investors. Informa Financial Intelligence is part of Informa plc, a leading provider of critical decision-making solutions and custom services to financial institutions.

The Bull and Bear Master designation is for investment strategies with an r-squared of 0.80 or greater relative to the style benchmark for a three-year period. Moreover, products must have an upside market capture over 100 and a downside market capture less than 100 relative to the style benchmark. The top ten ratios of Upside Capture Ratio over Downside Capture Ratio become the PSN Bull & Bear Masters.

NovaPoint Capital’s Large Cap Dividend Growth Strategy seeks to identify compelling total return investment opportunities among U.S. large capitalization companies with a demonstrated track-record of annual dividend increases. The strategy employs a multi-factor approach to include quantitative, fundamental, and technical factors.

“Congratulations to NovaPoint Capital for being recognized as a PSN Top Gun,” said [Ryan Nauman](#), **Market Strategist at Informa Financial Intelligence’s Zephyr**. “This highly esteemed designation allows us to recognize success, excellence and performance of leading investment managers each quarter.”
